My brothers and sisters in the Christ Jesus,

As Election Day approaches, I wish to present to all of you the summary of **Forming Consciences for Faithful Citizenship**. This week the insert is name *The Challenge of*

Forming Consciences for Faithful Citizenship part I. We have to look past the heated rhetoric and slogans to discern whether there is a candidate in each race who can advance the common good, protect life, and advance human dignity in its many manifestations. When there are such candidates, we should feel free to vote for them, in spite of party affiliations. In some races we may discover that there is not a candidate that we can in good conscience support and choose to abstain from voting in that particular race.

In choosing among flawed candidates, we ought never to fall into the trap of thinking we must choose the lesser of two evils. We may never choose evil. However, we can choose a candidate who with reasonable probability will be most likely do some good and limit the amount of harm done.

This is true especially concerning those foundational issues such as protecting the right to life, strengthening the family and preserving conscience rights and religious liberty.

There is much at stake on November 8. I ask you to pray, to study the candidates and issues, and then to vote. May our Blessed Virgin Mary under the title of her Immaculate Conception, Patroness of the United States and Saint Boniface, pray for us!

Indulgence for Souls in Purgatory to Gain Entry into Heaven The Work of the Indulgence:

A simple visit to a cemetery on any or all days from November 1 through November 8 can earn a plenary indulgence for Souls in Purgatory. This [plenary indulgence](#), if done properly, remits all punishment due to sin, which means that simply by performing the requirements of the indulgence, you can obtain the entrance into Heaven of a Soul who is currently suffering in Purgatory.

This indulgence, applicable only to the Souls in Purgatory, is granted to the faithful, who devoutly visit a cemetery and pray, even if only mentally, for the departed. A good prayer to recite to earn the indulgence is [Eternal Rest](#).

The Bible tells us that "It is therefore a holy and wholesome thought to pray for the dead, that they may be loosed from sins" (2 Maccabees 12:46), and especially in [the month of November](#), the Catholic Church urges us to spend time in prayer for those who have gone before us.

For most of us, the indulgence for a cemetery visit takes only a few minutes, and yet it reaps immense spiritual benefit for the Holy Souls in Purgatory--and for us as well, since those souls whose suffering we ease will pray for us when they enter into Heaven.

To obtain the plenary indulgence on November 1-November 8, we must receive [Communion](#) and sacramental [Confession](#) (and have no attachment to sin, even venial). Communion must be received each day we wish to gain the indulgence, but we only need to go to Confession once during the period. And, as with all plenary indulgences, we must pray for the [intentions of the Holy Father](#) (one [Our Father](#) and one [Hail Mary](#)) each day we perform the work of the indulgence.

Check the MCCL VOTING GUIDE

To assist voters like you, MCCL sent candidate questionnaires to candidates running for state and federal offices. **Candidate questionnaire responses can be found in [2016 MCCL General Election Voter's Guide](#)**. If you don't know the pro-life candidates in your area, please review [Voter's Guide](#).

If you have questions about voting, visit the Secretary of State's website devoted to voting, [www.mnvotes.org](#). It will help you find your district, polling place, how to vote early and more. You can even view your ballot ahead of time.

Informed pro-life voters save lives. Learn where the candidates stand on life by viewing the [MCCL Voter's Guide](#) online. It is linked on our home page. Please share this link with your church, friends and family members!

Why Priesthood Sunday (October 30th) Is Important (from Serra International Website [www.serraus.org](#))

The reasons for this celebration (of Priesthood Sunday) should be obvious. The number of priests per Catholic has declined over the past 40 years. This makes it more difficult for individual parishioners to establish a close relationship with any one particular priest. When I was growing up, our pastor served in our parish for 34 years. My mom and dad knew him well. His presence and service were significant factors in the story of my own vocation. Furthermore, priests are no longer the only ones who offer pastoral care to our people. Yet without a priest, no parish is able to be a Eucharistic community. It is important to reaffirm the importance of the priesthood of Jesus Christ and its central place in the life of our Church. Please pray for, encourage, and thank Father JOSEPH everyday but especially on Priesthood Sunday. Give him a note of appreciation. Offer to be of assistance as needed, thank him for his vocation, etc. Let him know he is appreciated and loved!
